Subject: Subpoenas issued over metals warehouse probe - FT.com

Hi Gary

Heating up.

I hope you are well. Looking forward for our meeting. However we'll have to change the hour. My mother passed away,at 100+, and I have the Shiva'a commitments. I propose same Sunday,Aug 18, 11am the two of us and then 1130am the rest of the group (you'll coordinate them). Same place, G tower 4th fl.

Pl let me know if that's ok with you.

Best

EB
